Yesan Market

An English guest guide for free time at the market

Yesan Permanent Market

예산상설시장

Map address: 967 Hyeongjegogae-ro, Yesan-eup, Yesan-gun

충남 예산군 예산읍 형제고개로 967

1 Start under cover

Head to the covered market and look around the food stalls before choosing where to stop.

2 Try one dish

Our family shared noodles and grilled meat. If a queue is long, choose another stall or take a walk through the market.

3 Make time to meet your group

Agree on the meeting spot and return time before you split up. Leave time to get back after eating.

Open the market map

Scan or tap to open the market in Google Maps.

Watch the market at 5:33
